

PSC & KVSC GOVERNMENT COLLEGE

Nandyal, Andhra Pradesh-518502

An ISO 9001:2015 Certified College & Affiliated to Rayalaseema University

RESEARCH POLICY

Academic institutions are mandated to excel in teaching, research, and extension activities. Research, being a pivotal component, contributes significantly to educational excellence, quality learning, and knowledge development. Recognizing this, PSC&KVSC Government Colleg, has devised and implemented its Research Policy.

Purpose & Scope: The Research Policy is crafted to foster a robust research culture among faculty, staff, and students. It serves as a comprehensive framework for conducting research, emphasizing social relevance, aligning with the college's vision and mission, and adhering to ethical and regulatory standards.

Objectives: The primary objectives of the Research Policy include:

- Developing awareness of research among faculty.
- Cultivating a research culture through initiatives and programs.
- Establishing Research Centers in various disciplines.
- Encouraging faculty to publish research papers and undertake significant research projects.
- Publishing a research journal to showcase faculty and researchers' work.
- Creating awareness through socially impactful research projects and initiatives.

Research Committee's Responsibilities: The Research Committee is tasked with implementing the Research Policy and has specific roles, including:

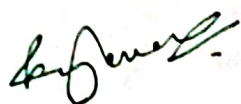

- Facilitating faculty in research endeavors.
- Providing necessary research facilities and resources.
- Encouraging a research culture through workshops and conferences.
- Facilitating collaborations and interdisciplinary research.
- Recognizing and promoting research guidance.

- Organizing sensitization programs and workshops.
- Seeking external funding for research projects.
- Ensuring ethical research conduct, combating plagiarism.
- Maintaining a database of faculty research articles.
- Identifying research expertise and consultancy services within the college.
- Encouraging students to participate in research projects.

Additional Objectives:

- Encouraging original research in diverse fields.
- Identifying emerging research areas and promoting faculty engagement.
- Establishing industry linkages for collaborative research.
- Obtaining projects and funding from national agencies.
- Supporting faculty in publishing research findings.
- Organizing workshops to develop research skills.
- Providing infrastructure for research projects.
- Enriching information resources for quality research.
- Fostering a research culture through various activities.

This Research Policy reflects PSC & KVSC Government Degree College's commitment to advancing knowledge, fostering innovation, and contributing to societal development through research endeavors.
